

BOYKO (DJ BOYKO)

Artist's Press Release

About BOYKO (DJ BOYKO)

BOYKO - the legendary Russian dj. He is one of the leaders of the electronic dance scene in Russia. The geography of his performances is very wide. He was heard in every city of great Russia, in the CIS countries and many European clubs. His powerful Dj sets sounded at the ceremony of Olympic Games opening in Sochi-2014, on the Red Square in Moscow, etc. Boyko has released 5 full albums, many releases and remixes. In 2005 he was one of the first who released high-quality club music with Russian vocals. Author of the many club hits. Matchless artist, a charismatic nature. He win the hearts of the audience irrevocably and for a long time with his charm and excellent musical taste. By right, one of the top headliners in Russia. His set - is not just a collection of great music, with sound waves he send powerful supply of energy all around. He needs only stand for the turntable, and typhoon of drive hits the audience. He likes when it's hot, and when a DJ has got a sackful of music, so his mixes can be filled with musical styles house, progressive, electro, breaks and trance. His name is known not only in Russia, but outside the country.
